

SOPHISTICATED
FITTING.

Silent Gliss

SMART FIX

The perfect installation.

Smart Fix offers the ultimate flexibility and ease of installation.

Modern, versatile design: Silent Gliss systems can now be fitted with Smart Fix, a uniform bracket range for use across all our systems. This new design includes magnetic metal covers which are easy to fit and elegantly hide the screws.

Smart Fix replaces a total of 51 brackets and significantly reduces the range to only 22 brackets!

SMART FIX

A total of 10 different Smart Fix brackets offer versatile installation possibilities including fixed length and adjustable options (3 brackets with slot).

Sophisticated fitting – high-end design.

SQUARE SMART FIX

Contemporary designed brackets with a lower down-stand, ideal if fitting space is limited. A total of 9 brackets including fixed length and adjustable options (3 brackets with slot).

UNIVERSAL SMART FIX

A bracket console with 3 different extension arms for ultimate flexibility and adjustability.

Magnetic metal covers

The Architects of Silence

Silent Gliss is the leading global supplier of premium interior window treatment systems.

With cutting edge technology and a relentless commitment to precision, we develop and manufacture the world's quietest, smoothest-gliding curtains and blinds.

Driven by our customers' needs, Silent Gliss provides bespoke curtain and blind systems complemented by expert technical advice, installation and support services. Silent Gliss stands for innovative solutions, exceptional design and outstanding quality. Swiss engineered since 1952.
